MEMBERSHIP APPLICATION

We welcome membership by anyone who owns or enjoys convertibles, T-tops, roadsters, and driving the open highway. Membership has many benefits and among them are various discounts, an invitation to the winter *OpenAir Conditioner* gathering, first access to headquarters hotel (at the OpenAir Conditioner) and an opportunity to register for a grid position in the "members only early registration period" (MORP).

****Be sure to tell us below if a friend referred you for membership.** We appreciate referrals and do a special prize drawing each year for those who refer friends who join OAC.
